# To the Trade:

#### TO OUR SOUTHERN TRADE:

For years we have made a practice of sending our unsold surplus North at this season of the year in order to prolong our selling season, but wish to advise that we still have in our cellars at Chase a fair assortment of shrubs and can also supply a good assortment Conifers from field. See our regular trade list for prices. If you do not have copy will be glad to mail one on request.

Beg to call your attention to the following items which we can furnish in goodly quantities. Prompt shipment.
